Welcome back (or just welcome to our newly hired) to the 2018-19 school year. We hope that your first week with students went well. Remember to check in with your HTA rep if your class size is large or if you are having other challenges that we can help with. We know that some sites lost reps due to transfers, resignations and retirement and many of the sites are in the middle of their elections for site rep, so if you don't know who to turn to please go to our website www.hesperiateachers.com for contact information.

Did you know that your membership has many benefits that often go unused? Be sure that you are getting all of the benefits that you are entitled to by going to CTA Member Benefits and NEA Member Benefits. HTA also offers benefits such as scholarships to the Good Teaching Conference, scholarships to the children of HTA members who are graduating high school and entering college, trainings (look for flyers soon to register for our Sped training and a session on Student Loan Forgiveness which will be taking place in September and October), as well as representation during discipline, at the negotiations table and more.

Our first social this year will be this Friday at 3:00 at Johnny Carino's in Victorville. We hope you will stop by, meet old friends and new, and have an appetizer on HTA. Socials and other events are on the calendar at www.hesperiateachers.com.

Hope to see you then and have a great year!
